

## Remarks

This Amendment After Notice of Allowance (37 CFR 1.312(a)) is provided in response to the Notice of Drawing Inconsistency with Specification mailed March 27, 2006 for the above case.

The Applicant gratefully acknowledges the Notice of Allowance/Notice of Allowability mailed February 22, 2006 indicating allowable claims 1-7, 9-19 and 21-24 and apologizes for the typographical error listed in the Notice of Drawing Inconsistency with Specification.

In response to the Notice of Drawing Inconsistency with Specification, the Applicant has hereinabove provided an amendment which corrects a typographical error on page 3, line 18 under the Section entitled **Brief Description of the Drawings**. This amendment corrects the specification by the adding the description of FIG. 4 which was inadvertently omitted. FIG. 4 is described more fully in the **Detailed Description** which begins on page 6 of the specification. The present amendment corrects an error made in the previously filed specification and does not add new subject matter.

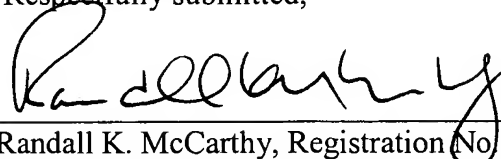

This amendment is believed to be proper, does not introduce new matter and places the application in proper condition for reconsideration and passage to publication.

This Amendment is intended to be a complete response to the Notice of Drawing Inconsistency with Specification mailed March 27, 2006.

The Applicant respectfully requests that the Examiner review and approve this minor correction. The Examiner is invited to contact the below signed Attorney should any questions arise concerning this response.

Respectfully submitted,
